## Canadian Red Cross

### Team Leader – Toronto, ON

- Door to door canvassing for local programs run by Canadian Red Cross.
- Operated under TNI group and Harris Global Enterprises.
- Built friendly rapport with home owners at their door and closed a minimum of one monthly donor a day. Trained new representatives on how to relate with clients and began to build a team of my own.

## Real Programming 4 Kids

### Instructor – Toronto, ON

- Taught children between grades 4 – 12 how to make video games from Beginner to Advanced programming levels.
- Had to communicate difficult concepts such as OOP and game physics mechanisms in an interactive way for the children to understand.
- Adapted to teach a range of games from alternatives of Pacman and Tetris to Shooters and Game Engines.
